

Notice of Public Community Meeting
For a Project Proposal under the Large Renewable Procurement

The proponent identified below (SWEB Development LP) is proposing to submit a proposal to the Independent Electricity System Operator (IESO) to design, build, and operate a Large Renewable Project for the generation of electricity under the IESO's Large Renewable Procurement (LRP).

The LRP is a **competitive process for procuring large renewable energy projects** generally larger than 500 kilowatts. At the conclusion of the LRP, the IESO may award contracts for successful projects up to the specified procurement targets for each renewable fuel: 300 megawatts (MW) for wind, 140 MW for solar, 75 MW for waterpower, and 50 MW for bioenergy. This notice is being distributed to notify members of the public of a public community meeting that has been scheduled to discuss the Large Renewable Project proposal. Information regarding the proponent, the Large Renewable Project proposal, and the meeting details are described below.

A **public community meeting** is being held as part of the early community engagement requirements of the LRP. The public community meeting will present details about the Large Renewable Project and its proposed connection line. Representatives of the proponent will be available to discuss the Large Renewable Project and the overall LRP process. Should this Large Renewable Project be awarded a contract, the Large Renewable Project would need to obtain all required permits and approvals and conduct any further required community engagement activities.

Further details regarding the LRP are **available at** www.ieso.ca/lrp

Contact Information for the Proponent:

Rory Cantwell, Development Manager
SWEB Development
t. 1-844-468-3134
rory.cantwell@swebdevelopment.ca
108F Trider Crescent, Dartmouth, NS, B3B 1R6

Project Website: www.townsendwindfarm.ca
Proponent Website: www.swebdevelopment.ca

Proposed Location of the Townsend Wind Farm and Proposed Connection Line:

Approximately 3.0 km north west of the Town of Jarvis, Ontario, in the County of Haldimand.

Proposed Connection Point of the Townsend Wind Farm: Connecting to the existing 3-Phase distribution line, west of Haldimand Road 55, on Concession 10 Walpole

Public Community Meeting Information

Location: Jarvis Lions Club
18 James Street, Jarvis,
ON, N0A 1J0

Date: **June 23rd, 2015**
Time: 7:00 PM to 9:00 PM

Proponent and Large Renewable Project Proposal:

Proponent: **SWEB Development LP**
Qualified Applicant: **SWEB Development LP**
Name of the Large Renewable Project Proposal: **Townsend Wind Farm**
Renewable Fuel of the Large Renewable Project: **Onshore Wind**
Proposed Capacity of the Large Renewable Project: **6 - 7 MW**
